TYPE OF NET:

It is open to all radio amateurs, and especially those amateurs who have already attended one or more of the annual sessions put on by the National Weather Service Office of Negaunee in the Spring of each year.

NEW FORMAT:

Starting with the January-2008 edition we've changed formats. These newsletters will be coming to you now, in .PDF format (Portable Document Format) and with it we will be able to include images (pictures) which will make the newsletter a little more interesting. Hope you like the new look? Let us know!

SNOWFALL THERMOMETER

This "thermometer" is located near the town of Phoenix in Keweenaw County and it shows a record snowfall during the year of 1958 of 24.6 ft. of snow! The arrow points to the present snowfall which is 110 inches for the 2007/2008 season.
